

**Geography/EnvSt 339 Introductory Questionnaire  
(please return to your TA in section)**

**Name:** \_\_\_\_\_ **Major (or intended major):** \_\_\_\_\_

**Year in college:** \_\_\_\_\_ **Your Hometown(s):** \_\_\_\_\_

**Please list other Geography or Environmental Studies (or related) courses you've taken:**

**Are you currently majoring in Geography? Yes No ..... or considering it? Yes No**

**What debates surrounding human use and interaction with the environment are important to you? If any of these are place-specific (i.e. a debate over a power-plant in your hometown or an issue in a country where you studied abroad) please indicate that place.**

**Have you done any work, volunteer or paid, which related to the environment? Are you involved with any environmental or related organizations? If so, what group(s) or what kind of work?**

**Anything else you'd like to tell your TA at the start of the semester?**
